MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Selected Reserve Incentive Program (SRIP) payments for Army National Guard (ARNG) Soldiers affected by transformation, Policy Number 06-03.

1. Effective 21 October 2005, ARNG Soldiers who are or will be receiving SRIP incentives, and require retraining in another Military Occupational Specialty (MOS) due to unit restructuring, relocations, or inactivations, may retain their SRIP incentive under the following conditions:
 - a. Commanders are responsible to ensure the scheduling of Soldiers to attend training for the new MOS. Soldiers actively enrolled in the new MOS producing course continue receiving SRIP incentive payments for which they had previously qualified.
 - b. Soldier's failure to complete required coursework will result in termination of SRIP incentives.
 - c. Non-participation or academic failure will result in recoupment of any subsequent bonuses received by the Soldier following new MOS course enrollment, as prescribed in AR 135-7.
 - d. Soldiers have 36 months from the day they vacate the valid bonused position to attain Duty MOS Qualification (DMOSQ), plus any period spent in a mobilized status. The first General Officer in the chain of command may approve exceptions.
2. It is critical for unit Commanders and administrators to ensure these Soldiers are DMOSQ as quickly as possible to avoid implications with deployability, retention, and readiness of the ARNG.
3. Point of contact is MAJ Ron Lee at 703-607-9756 or ron.lee@ngb.army.mil.
